

Primavera P6 Web Resource Manager

Duration: 1 day **Language:** German/English

Location: upon agreement

Practice-oriented Oracle® Primavera P6 Web training for resource managers: Efficient planning, control and utilisation of roles and resources using the web functionalities of Oracle® Primavera P6 EPPM

The following contents from our module catalogue are covered in detail in the training. Based on these module elements, the participants learn "Efficient planning and controlling with Oracle® Primavera". They gain insight into multi-project planning, learn target-oriented tracking and reporting and receive practical tips and tricks for their daily work with Oracle® Primavera P6.

In addition to using the Oracle® Primavera P6 Web tool, participants learn how to successfully plan and track roles and resources on projects and how to identify obstacles in time.

The training includes the following module elements:

Primavera General

- Primavera Overview
- Application Structure
- User Preferences
- Dashboards & Portlets
- Usability

Resources Planning

- Role & Resource Assignments
- Role & Resource Analysis
- Resource Leveling
- Role & Resource Tracking

Participants

This training is aimed at project managers, project controllers, resource managers, schedulers and executives who want to get a solid introduction to Oracle® Primavera P6 EPPM Web resource and role planning. The participants already have knowledge of project planning and project management. They are proficient users of standard software and operating systems, such as Windows and Office applications.

Coaches

All our coaches are experienced professionals in project management and have many years of practical experience in a wide range of industries. They have long-standing know-how within the relevant topics.

Training method

Presence training - using lectures, exercises and practical examples, the basics of resource planning in Oracle® Primavera P6 Web are clearly conveyed. Targeted application exercises guarantee a direct practical transfer of what has been learned

Individual in-house training

proadvise individual trainings are goal-oriented and designed according to the needs of the users! Send us your request and we will be happy to make you an individual offer and support you in organising and carrying out the training.
